

## **NBOV campus weekend set for May 5-7**

Plans are under way for the second annual National Board of Visitors campus weekend May 5-7, designed to provide a first-class experience to inform and enhance board members' connection with the university. It also provides board members an opportunity to integrate their experience and knowledge into university programs.

The event will begin Friday evening with a welcome reception and dinner hosted by President John D. Welty and his wife, Dr. Sharon Welty.

Saturday morning, breakfast will be served on campus and President Welty will share information about some of the most important programs in which the university is engaged, discuss faculty research projects and give an insider's look at the growth and progress of the Comprehensive Campaign. After breakfast, board members will have an opportunity to meet students, faculty and administrators who are helping transform the university.

During the evening, board members will join President Welty for the 10<sup>th</sup> annual Pinnacle Society dinner at University House. Pinnacle Society members are distinguished individuals who have minimum cumulative giving of \$500,000.

On Sunday, we have allotted time for your travel home or a round of golf at Sunnyside Country Club.

More details will be provided as they are finalized. For more information, please contact Leticia Reyna, director of donor and volunteer relations, at 559.278.7459 or via e-mail at [lreyna@csufresno.edu](mailto:lreyna@csufresno.edu).
